

Fundraising and Marketing Volunteer

About the opportunity

We are looking for enthusiastic and reliable Fundraising and Marketing volunteers to help and support our staff and fundraising team. These are vitally important and rewarding roles which will help keep the centre open for our CancerWise family. They offer flexibility and are not necessarily a weekly commitment.

What we are looking for

Typical activities:

- Help organise fundraising events and attend on the day
- Visit shops, restaurants and write letters asking for raffle prizes
- Approach schools and companies to ask for support
- Write thank you letters for donations
- Keep publicity leaflets holders topped up

Requirements:

- Fundraising experience is not necessary. Enthusiasm is
- Keen to get stuck in and be involved as part of a team
- Happy to represent CancerWise and ask for donations
- Basic computer skills

Flexible time commitment.
